Dear Ms Sjoden,

Re: Land Referral File No. 6405671, Petursson application to construct access road to private property

The Bulkley Valley Community Resources Board has reviewed this application. The area under consideration lies within the Smithers Community Forest, which is addressed in the Bulkley LRMP under Sub-Unit 10-4. This states that: "Any plan for this area must follow the Smithers Community Forest Steering Committee Plan".

Accordingly, the BVCRB defers to the Smithers Community Forest Steering Committee to determine whether the application is in accord with their plan for the area.

Sincerely,

Adrian de Groot
Chair,
Bulkley Valley Community Resources Board
